The venue: Please respect the use of the venue at all times and observe the Out of Bounds areas. Please keep dog noise to a minimum during unsociable hours (early morning, evenings and overnight) and make sure that you pick up after your dogs and place all dog mess in the black bin liners or skip. There is a large exercise area available and you may exercise your dogs in the walkway around the right hand side and the top of the venue (as you enter it). Please ensure that you park in the marked out plots with the TOWBAR on the wooden peg. Do not obstruct the roadways with cars, equipment, etc. Please ensure you have adequate fire fighting equipment (extinguisher or bucket of water by your tow bar).

If the ground becomes boggy & you find that your vehicle /caravan gets stuck , please do not churn up the venue, instead please let the show organisers know so that we can help you off site safely.

Training Equipment: Please do not set up/use any equipment in the camping, day parking or exercise areas.

Helping: Many thanks to everyone who has volunteered to offer to help at the show. Details of where and when we would like you to help will be shown on one of your ring cards and will be on display in the Secretaries Office. Your ring card will state am or pm (all day if not shown), but you will not be expected to work for the duration of either the morning or afternoon as there should be sufficient help to cover different times. Please report to your ring manager at the start of the morning or afternoon and let them know when you will be available to help. If you have been asked to be a Floating Helper, please listen out for any calls for help and help out if you are able.
