AGILITY NUTS

Summer Series 2011

Saturday 2nd April to Sunday 3rd April 2010
Venue: Park Land Stables, Ruddington, Nottingham, NG11 6LJ

Show opens: 7:30 a.m. Judging Commences 8:30 a.m.

Show Information

Please take the time to read through the following information as this will help to ensure that the show runs smoothly

Walking the courses: Please note that Large Starters and Large Novice Plus have been combined as Large Starters Plus and that ABL Elementary and ABL Starters have been combined as ABL Starters Minus. The following courses will be set at the same level as each other and need to be walked before the first class at the levels shown, regardless of the height jumps are set at:

- **Large Starters Plus (Large Starters & Novice Plus) and ABL Novice Plus**
- **Large Elementary and ABL Starters Minus (ABL Elementary & Starters)**

Getting to the line: Please be aware of when you need to run your dogs! If you have multiple dogs to run please stagger your runs to make sure that the end of the class is not delayed whilst the Judge waits for you to go and get your next dog. If you have a Tiny dog, please get your dogs to the line whilst people are still walking the course if the class starts with Tiny dogs (as indicated on the Ring Plan), or, if the class starts with Medium dogs, please bring your Tiny dogs to the ring whilst the Small dogs are running.

Don't forget to play your Jokers! At each Agility Nuts show this summer you get the opportunity to double the league points you gain from a single class on each day by playing your Joker. You simply decide which class you want to play your joker in and let the ring party know when you book in. A coloured sticker will be placed on your scribe sheet to indicate that you are playing your joker. **You can only play ONE joker per dog per day at each show and you must declare that you are playing the joker BEFORE the run!** Anyone who plays more than one joker will have league points deducted!

Trophy Pet Foods Open Jumping Pairs Entries: We will be taking additional entries for both Pairs classes at the show up to 1:30 pm on the Saturday of the show. The Pairs classes will consist solely of jumps and tunnels. Running orders for these classes will be generated once all additional entries have been taken and will be displayed in the Show Office.

Pay on the Day Classes

We are pleased to offer extra agility fun and competitions on both days of the show*

SATURDAY: It's a Knockout Jumping Challenge

SUNDAY: Open Steeplechase Challenge

**Time and weather permitting. Listen out for announcements at the show. Entries will be £2 per dog, payable on the day. All heights and standards welcome to enter. Veterans and NFC dogs can enter and run at their usual height. Rosettes to 3rd in all Pay on the Day classes.*

Day parking: Please park vehicles as directed.

Dogs in cars: Your dog is vulnerable and at risk if left in a vehicle at high temperatures, even on days that you may only consider to be slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for the damage caused.

Camping: Camping is available from midday on the Friday before the show starts. All campers must vacate the venue by midday on the Monday after the show has finished. All camping units must have a fire extinguisher and/or bucket of water available. There are water taps available at the venue. Toilet facilities will be available on

site. Please be aware that there is a reasonably tight turn over a bridge onto the venue. Assistance will be provided if needed. If in doubt, please ring the contact number displayed by the bridge and assistance will arrive very quickly.

About the venue: The venue is a private property and someone's home so please make sure you respect it. The exercise area(s) will be clearly marked and there is a lane where dogs can be walked just outside the venue. Areas that are out of bounds will be clearly marked and must be respected. All owners must pick up after their dogs – no exceptions! Bins for dog waste will be provided. Owners knowingly not picking up after their dogs will be asked to leave the venue and may be excluded from future Agility Nuts shows.

Helping at the Show: One of your ring cards will indicate which ring and when you are expected to help at the show. We ask that all competitors give 1 hour per day to help as specified to enable the smooth running of the show. Please report to your Ring Manager so that they can allocate a suitable job and time slot for you. Remember, no-one is expected to help at the expense of missing their classes. This is made a lot easier to achieve if everyone helps.

Catering: Food will be available in the main marquee.

Results: Agility Nuts will be using ringside entry of results with real-time updates of the current standings as each class runs available on monitor(s) located by the Show Office. Results and updated League Tables will be available on the Agility Nuts website (www.agilitynuts.co.uk) as soon as possible after the show.

Vet on call: Rushcliffe Veterinary Centre, Collington Way, West Bridgford, Nottingham, NG2 7LR. Tel. 0115 9821717.
