Show Information

Welcome to the second show of the Agility Nuts 2009/10 Winter League Series. We hope you and your dogs enjoy the show and we look forward to seeing at you at future Agility Nuts Shows throughout the year. Please take the time to read through the following information as this will help to ensure that the show runs smoothly and finishes at a reasonable time.

Please note that due to the large number of entries at this show the classes will start at 8:15, i.e. 15 minutes earlier than stated on the original show schedule.

Walking the courses: Courses at each level will be the same for all sizes of dogs. All handlers need to walk the course before the first class at their level, regardless of the height jumps are set at.

Getting to the line: Please be aware of when you need to run your dogs! If you have multiple dogs to run please stagger your runs to make sure that the end of the class is not delayed whilst the Judge waits for you to go and get your next dog. If you have a Tiny dog, please get your dogs to the line whilst people are still walking the course if the class starts with Tiny dogs (as indicated on the Ring Plan), or, if the class starts with Medium dogs, please bring your Tiny dogs to the ring whilst the Small dogs are running.

Don't forget to play your Jokers! At each Agility Nuts show you get the opportunity to double the league points you gain from a single class by playing your Joker. You simply decide which class you want to play your joker in and let the ring party know when you book in. A coloured sticker will be placed on your scribe sheet to indicate that you are playing your joker. **You can only play ONE joker per dog at each show and you must declare that you are playing the joker BEFORE the run!** Anyone who plays more than one joker will have league points deducted!

Juniors: There will be a special award to the best performing junior (aged 16 or under on the date of the show) at each show of the series. Please let the Show Secretary know if you are 16 or under if you have not already done so)

About the venue: Trent Valley Equestrian Centre is a superb venue for handlers and dogs, so please make sure that you respect the following to ensure that we will be welcomed back in future years:

- The venue has a strict no smoking policy throughout the entire venue.
- Dogs must be kept on lead at all times except when competing or in the exercise area.
- Dogs must be kept under strict control in the exercise area.
- Dogs are not allowed in the toilets.
- Please pick up after your dogs. There will be black bin bags located by the exercise area and the entrance to the arena for you to dispose of any poo. Please do not dispose of poo in any other bins.
- Please note that there is now a new ménage on part of the exercise area. Please try to keep your dogs off the ménage and definitely pick up after them if they foul the area.
- WITH THE EXCEPTION OF THE ARENA, THE CAR PARK, ACCESS TO THE TOILETS AND THE EXERCISE AREA, ALL OTHER AREAS ARE STRICTLY OUT OF BOUNDS.
- Please ensure that you dispose of all litter in the bins provided.

Parking: Please park vehicles as directed. In the absence of anyone directing car parking, please park as

indicated on the plan below.

Dogs in cars: It may be winter, but please remember that your dog is vulnerable and at risk if left in a vehicle at high temperatures. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for the damage caused.

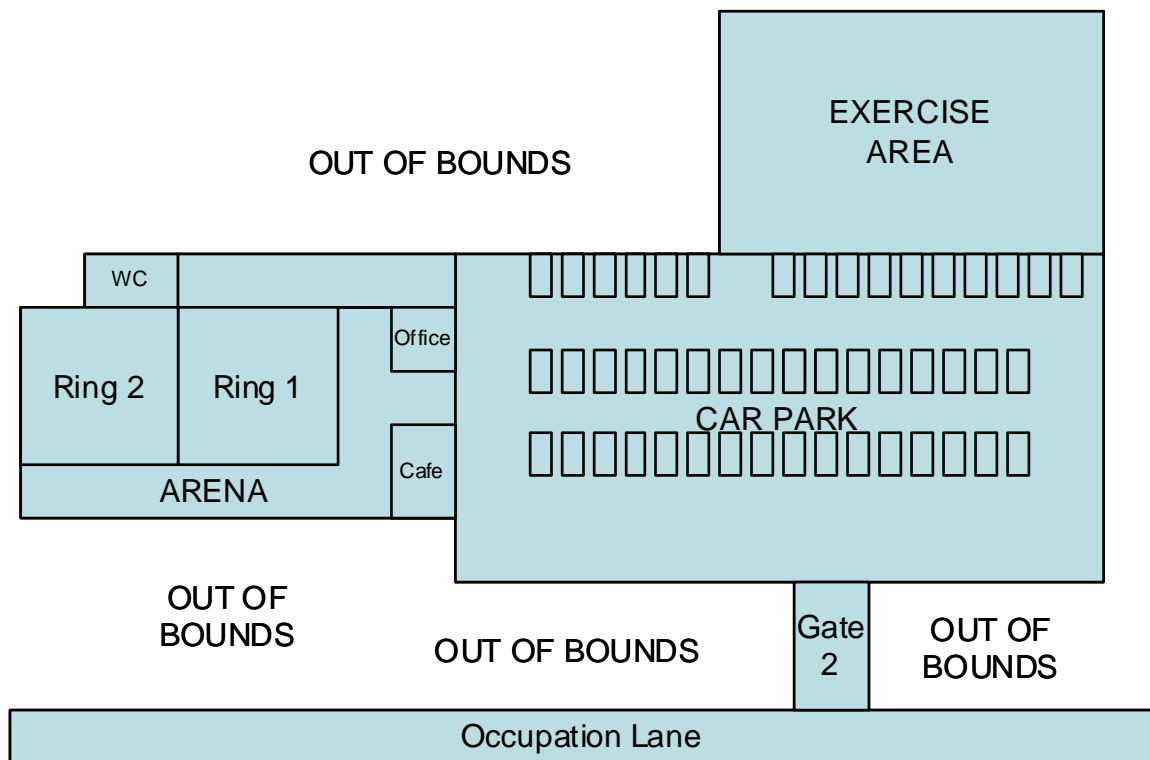

Helping at the Show: One of your ring cards will indicate which ring and when you are expected to help at the show. We ask that all competitors give 1 hour per day to help as specified to enable the smooth running of the show. Please report to your Ring Manager so that they can allocate a suitable job and time slot for you. Remember, no-one is expected to help at the expense of missing their classes. This is made a lot easier to achieve if everyone helps.

Catering: There is a café on site at the Equestrian Centre serving an excellent choice of hot and cold food at very reasonable prices. The café will be open all day.

Results: Agility Nuts will be using ringside entry of results with real-time updates of the current standings as each class runs available on monitor(s) located by the Show Office. Results and updated League Tables will be available on the Agility Nuts website (www.agilitynuts.co.uk) by the end of the day of the show.
